# Processing

Hold can strictly upright, do not shake can. Press spray top in short intervals as required. When using on electric appliances ensure good aeration before restoring power to avoid possible deflagration of gas nests by spark discharge.

#### Storage

Pressurized container: protect from sunlight and do not expose to temperatures exceeding  $+50^{\circ}$ C.

## Safety and health

When using WEICON products, the physical, safety technical, toxicological and ecological data and regulations in our EC safety data sheets (www.weicon.com) must be observed.

#### Note

The specifications and recommendations given in this technical data sheet must not be seen as guaranteed product characteristics. They are based on our laboratory tests and on practical experience. Since individual application conditions are beyond our knowledge, control and responsibility, this information is provided without any obligation. We do guarantee the continuously high quality of our products. However, own adequate laboratory and practical tests to find out if the product in question meets the requested properties are recommended. A claim cannot be derived from them. The user bears the only responsibility for non-appropriate or other than specified applications.
